EDUCATION

Multivix University

January 2025 – December 2026

Associate Degree in Systems Analysis and Development

Trybe

November 2022 – July 2024

Full Stack Web Development

- 1,500 hours of coursework focused on: Introduction to software development, front-end, back-end, computer science, software engineering, agile methodologies, and soft skills.

EXPERIENCE

Tem Vaga Mestre? (Volunteer Work)

Remote

Front-End Developer

September 2024 – January 2025

- Contributed to the development of the platform by collaborating with POs, PMs, designers, developers, and QAs to continuously improve it.
- Developed using TypeScript, React, Next, and Node based on Figma prototypes.
- Applied agile methodologies for task tracking and management.

SKILLS

- TypeScript, JavaScript, Python, C#, SQL.
- React, Angular, Sass, Vite, Redux, React Testing Library, HTML, CSS.
- Node.js, Express, Django, MySQL, PostgreSQL, Sequelize.
- Git, Jest, Scrum, Kanban, Clean Code, Git Flow, Trello.

PROJECTS

Data Scraper - <https://github.com/KarlaKeurin/data-scraper>

- This project scrapes data from the ANS website, downloads PDF files, extracts relevant information into CSV format, saves everything in the database, and displays it in a simple and functional interface. It also includes a search field to facilitate data navigation.
- Skills: Vue, Python.

Futebol Club - <https://github.com/KarlaKeurin/futebol-club>

- Informative website about soccer matches and standings. Developed an API using the TDD methodology, and the applications were integrated through Docker Compose to interact with a database.
- Skills: TypeScript, Sequelize.

Atelier Couture - <https://github.com/KarlaKeurin/atelier-couture>

- A fashion website created for a tailoring atelier, developed with TypeScript, Sass, React, and Django. The site is responsive and includes a login page with roles and a dashboard for monitoring orders and customer data.
- Skills: TypeScript, React, Sass, Django.

ADDITIONAL COURSES

- C# Development - Trybe
- Python Development - Trybe

August 2024

March 2025

LANGUAGES

English – Intermediate

Portuguese – Native
